

MS RIVIERA RESPLENDENCE · RHINE CRUISE TO SWITZERLAND · DEPARTING 12 SEPTEMBER 2026

An important update: the same ship and onboard experience with a new route

Low water on the upper Rhine means we cannot reach Switzerland, so rather than cancel your holiday we have adapted the sailing our Holland and Belgium cruise across the same eight days. Switzerland, Strasbourg and the Rhine Gorge are not part of it. In their place: a guided tour of historic Cologne, an overnight stay in Amsterdam with the chance to experience the city after dark, and a full day exploring the canals, cobbled streets and medieval charm of Bruges.

THE RIVER, AND WHY WE HAVE CHANGED YOUR ITINERARY

Our river cruise partner's nautical team and our own in house team check the gauges and the weather every day, and judge what they mean for your ship rather than the river in general. Downstream is a different river: the lower Rhine carries far more water and much of your route is lock controlled, so levels are managed rather than left to the weather. It is the best plan we can give you rather than a promise, and your Cruise Director will tell you if anything changes.

YOUR ITINERARY, DAY BY DAY

Day 1	Join your new ship in Düsseldorf, moored overnight in the city.
Day 2	Amsterdam: a canal cruise past the gabled merchant houses, then overnight in port.
Day 3	Kinderdijk: nineteen working windmills along the canal banks, UNESCO listed.
Day 4	Ghent on a guided walk, or a full day in Bruges: the Markt and the Belfry.
Day 5	Antwerp: the Grote Markt, its guildhouses and the Brabo Fountain.
Day 6	Nijmegen, then Oosterbeek: the British headquarters and Commonwealth cemetery.
Day 7	A guided tour of Cologne in the morning, then Düsseldorf at leisure.
Day 8	Disembark in Düsseldorf after breakfast and travel home.

We offer many of these destinations on our other itineraries, which you can view on the link below:
